

(e) *Avoidance of unexpected fees.* In order to protect a requester from unexpected fees, a requester is required to state in the request an agreement to pay the fees determined in accordance with paragraph (g) of this section or to state an acceptable upper limit on the cost of processing the request. If the fee for processing the request is estimated to exceed that limit, or if the requester has failed to state a limit and the cost is estimated to exceed \$50 and there is no decision to waive or reduce the fees, the appropriate Customs officer shall:

(1) Inform the requester of the estimated costs;

(2) Extend an offer to the requester to confer with Customs personnel in an attempt to reformulate the request in a manner which will reduce the fee and still meet the needs of the requester, and

(3) Inform the requester that the running of the time period within which a determination on the request must be made is suspended until the request is reformulated in manner to reduce the cost or until the requester pays or agrees to pay the estimated cost.

(f) *Form of payment.* (1) A requester shall pay by a check or money order that is payable to the order of the United States Customs Service.

(2) If the estimated cost exceeds \$50, the requester may be required to enter into a contract for the payment of actual costs, as determined in accordance with paragraph (g) of this section, which contract may provide for prepayment of the estimated costs in whole or in part.

(g) *Amount to be charged for specified services.* A fee for a service performed is imposed and collected as set forth in this paragraph. The Commissioner of Customs or the Commissioner's designee may set an appropriate fee for any service not described below. These extraordinary fees are imposed and collected pursuant to 31 U.S.C. 483a, subject to the constraints imposed by 5 U.S.C. 552(a)(4)(A).

(1) *Duplication.* (i) The charge for photocopies per page up to 8½" x 14" is at the rate of \$0.15 each.

(ii) The charge for photographs, films and other materials is their actual cost. The Customs Service may furnish

the records to be released to a private contractor for copying and charge the person requesting the records the actual cost of duplication charged by the private contractor. No fee is charged where the requester furnishes the supplies and equipment and makes the copies at the Government location.

(2) *Unpriced printed materials.* The charge for unpriced printed material, which is available at the location where requested and which does not require duplication for copies to be furnished, is at the rate of \$0.25 for each twenty-five pages or fraction thereof.

(3) *Search services.* The charge for services of personnel involved in locating records is \$10.00 for each hour or fraction thereof. If a computer search is required because of the nature of the records sought and the manner in which the records are stored, the fee is \$10.00 for each hour or fraction thereof of personnel time associated with the search plus the actual cost of extracting the stored information in the format in which it is normally produced. This actual cost of extracting information is based on computer time and supplies necessary to comply with the request.

(4) *Searches requiring travel or transportation.* The charge for transporting a record from one location to another, or for transporting a Customs officer or employee to the site of requested records when it is necessary to locate rather than examine the records, is the actual cost of the transportation.
